DOCTOR DOCTOR!

WHAT DO YOU WANT TO KNOW?

HAVE YOU GOT A QUESTION FOR THE TOP TIME LORD?

MAXIMUM DEFENCE MODE!

WEIRD LETTER ALERT!

SOCK SHOCK

Dear Doctor,
What is your favourite colour sock?

Anna Lauderdale

THE DOCTOR REPLIES:

I don't think I've ever been asked that question before, Anna! I like all colours! There are so many, I can't decide! I do have a pair that match my old multicoloured scarf, and they are every colour you could ever imagine. They are fantastic – and I like to wear them on Mondays.

BRIGHT ENOUGH?

MISSING DOG

Dear Doctor,
Where is your dog, K-9?

Elliot Joughin

THE DOCTOR REPLIES:

I love that dog. There have been four different K-9s. The original came from the year 5000 and I gave him to my friend Leela. I built a second K-9 and he now looks after my friend Romana. I gave a third one to Sarah Jane Smith on Earth as a present, and when he was blown up I built her another one. He's still on Earth! I miss him!

MONSTER MAIL

THIS ISSUE: STRAX

COLD SPELL

Dear Doctor,
Where is the coldest place you've been?

Ella Harvey

THE DOCTOR REPLIES:

There are so many cold places, Ella! After the Arctic and Antarctic on Earth, my favourite is the Qod-Sphere, where it snows all day and all night. But the coldest place is the planet Volag-Noc – a nasty prison world. Don't forget to pack your thermals if you fancy a visit!

IRONING ROCKS!

Dear Strax,

Edan Lewin

STRAX REPLIES:

Thank you, lad. I enjoy anything that involves winning and fighting and blasting. I have recently discovered that I also like ironing, and love to help Vastra and Jenny with this very satisfying task. I'm quite slow, though.

COMPANIONS

HARRY

Clumsy medical officer. He joined the Doctor and Sarah in the TARDIS.

Sarah Jane

Brave young journalist who loved travelling in the TARDIS with her best friend.

Leela

Girl from a primitive planet. She carried weapons and always ran towards danger!

K-9

A super-cool robot dog! The Doctor met K-9 in the year 5000.

THE DOCTOR

FOURTH DOCTOR?

This Doctor could turn from calm and friendly to cold and shouty in the same breath. He could be very alien-like, too!

He wore a long multi-coloured scarf and always carried jelly babies.

Foolish people and power-mad monsters would make him angry.

WHO'S WHO?

Tom Baker played the Doctor from 1974-81

The Time Lords still sent him on secret missions – and this also made him very cross!

WHONIVERSE COLLECTION

Cut out and keep safe.
Don't miss the final part in the next issue of DWA!

TARDIS INSIDE OUT!

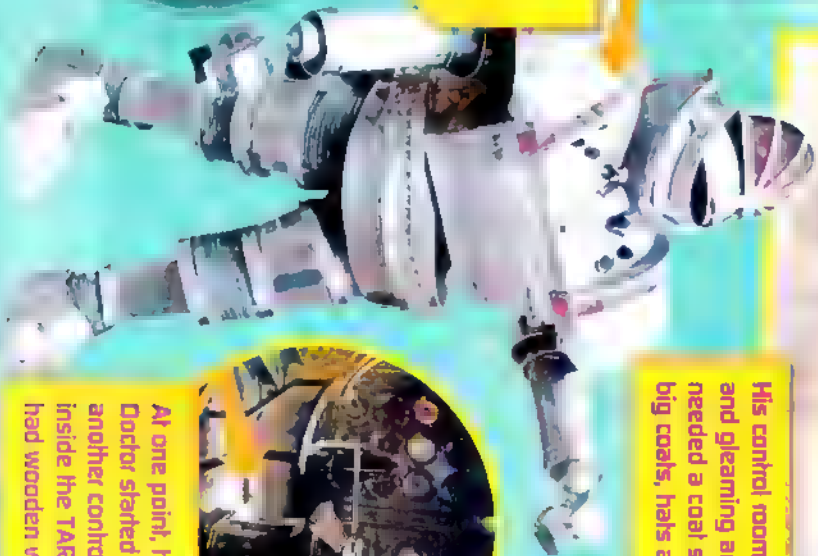

His control room was bright and gleaming and he always needed a coat stand for his big coats, hats and scarves.

At the end of his first adventure defeating a giant robot on Earth, the Fourth Doctor was keen to get out and explore the universe!

FAST FACT

The TARDIS roof once fell on top of one of the actors!

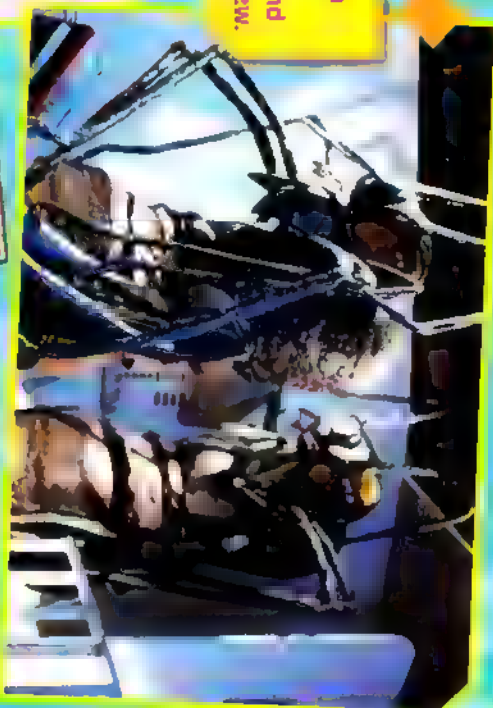

At one point, the Doctor started using another control room inside the TARDIS. It had wooden walls!

DEADLIEST ENEMIES

WIRRN

Insectoid creatures from deep space, the Wirrn attacked a space ark and infected some of the crew.

VOG ROBOTS

Beautiful, elegant robots that were corrupted and started killing people on board a sandminer.

ZYGONS

These shape-shifting creatures were hiding deep beneath Loch Ness and they had a very large and vicious pet – the Loch Ness Monster!
